

Kinesio®/Biofreeze® Elevate Your Practice Workshops 2010 Schedule

Performance Health/Hygenic Corporation and Kinesio® Taping Association are underwriting these workshops so that \$20 of each attendee's registration fee will be donated to the Massage Therapy Foundation. Attendees earn six NCBTMB CE's through their participation.

The workshops are designed to teach the basic protocols of the Kinesio® Taping Method, Prossage® Heat and Biofreeze® Pain Reliever to enhance therapeutic effectiveness. The six-hour course provides hands-on experience with taping and soft tissue techniques for treating arms, the neck and lower back. This method of taping uses a uniquely designed and patented tape for treatment of muscular disorders and lymphedema reduction.
